September-December 2022

Volume 6, Issues 9-12

#### Letter from the President

New—defined as not existing before, discovered for the first time or introduced. When I think about the remaining months in this year, we are fast approaching a brand NEW year, one that we have not seen before so we will walk into the newness of 2023.

A new year, a new month, a new week, a new day, a new hour, a new minute and a new second. I am looking forward to a great new start to 2023 and all of the potential growth and progress our Neighborhood Association will experience. Don't miss out — be a part of the movement. Neighborhoods don't just come and go they remain for years and years because history and legacy are both created within these areas. Generations of families live in Neighborhoods so they are not defined under new but the changes that occur within them bring new houses, new families, new structures, new stories, new familiarity and new identity. It takes hard work and dedication to preserve what was old as it emerges into the new.

I am a native resident of Asheville and East End so it means a lot to me for East End to be recognized as the Neighborhood it used to be and the Neighborhood it has become. That translates into past and future and they can both be brought to the fore front without one identification losing the other. Join us in the journey and become a part of where you reside and help to make our Neighborhood thrive and continue to be great! Enjoy the holiday season and best wishes to you and your families.

Reneé White President East End /Valley Street Neighborhood Association

# Calvary Presbyterian Church Presents Becky Stone

Becky Stone will present her rendition of Josephine Baker November 13, 2022, at Calvary Presbyterian Church at 3:00 pm. Calvary is located at 44 Circle Street in Asheville. The performance is free, but a plate for a freewill offering will be passed around.

Becky Stone was born and raised in Philadelphia, Pennsylvania. She has been a Chautauqua scholar since 2003 when she first presented Pauli Murray. Her other characters are Harriet Tubman, who she portrayed at Calvary last year, Rosa Parks, Maya Angelou, and Josephine Baker.

Becky also performs as a storyteller at festivals, libraries, and schools – specializing in African-American history and stories, and audience participation stories and songs.

Josephine Baker was an American-born French dancer and singer who symbolized the beauty and vitality of Black American culture, which took Paris by storm in the 1920s. She went on, in her flamboyant style, to become one of the most popular music hall entertainers in France.

### Dr. George Washington Carver Edible Park Work Day

Join us for another community work day at the Dr. George Washington Carver Edible Park on November 18 from 2:30pm to 5:30pm! The park is located at 30 George Washington Carver Avenue. There is parking in the Stephens Lee Recreation Center parking lot. Lynx Bergdahl, from Bountiful Cities, will be guiding us. There will be no work day in December, but we will start up again in January. Masks are encouraged! We will have some extra tools for folks to use as well as hand sanitizer, but any gloves, loppers, pruners or weeding tools you can bring are much

pruning, picking up trash and clearing invasives. We occasionally do some planting depending on the season and what is available. We will include a hands on demo of each technique as well as a tour of the park. Come give your time and support to Asheville's first edible forest ecosystem! We look forward to seeing you! The community workdays being presented for the residents of the City of Asheville are in partnership with the City of Asheville and Bountiful Cities. For the most up-to-date information, please visit the Dr. George Washington Carver Edible Park Facebook Page: https://www.facebook.com/Dr-George-Washington-Carver-Edible-Park-620672487 948577

appreciated. Every month we focus on mulching, light tree and shrub

#### St. Matthias and City Sign Easement to Enable Sidewalk Improvement

On October 11, the vestry (board) of St. Matthias Episcopal Church signed an easement to provide a 10-foot nonexclusive permanent easement of approximately 2,189 sq ft (or 0.05 of an acre) and a contiguous 10-foot temporary easement (for construction period only) to the city of Asheville to permit widening and improvement of the sidewalk along its southern property line adjacent to White Labs Brewing Company. The sidewalk connects what is now Martin Luther King Jr. Drive ("MLK") with what is now South Charlotte Street and is used frequently by residents in the interior of the East End/

Valley Street (EEVS) neighborhood. The path on which the sidewalk sits was originally a section of South Beaumont Street that was rerouted during urban renewal; the pathway/ road has served as a public thoroughfare for at least 130 years.

Now that the easement is signed, the city will start to design the improved sidewalk. Preliminary discussions are that it will be 5 feet wide and that the section along St. Matthias hill will have a four-foot high retaining wall. The EEVS Neighborhood Association will be involved in the design as it gets underway.

Laura McPherson

#### **Buncombe County Providers Offering** Updated COVID Omicron Booster Doses for Adults and Adolescents Ages 12+

In early September, the Food and Drug Administration (FDA) authorized—and the Centers for Disease Control and Prevention (CDC) recommended—two updated boosters. The boosters target two Omicron subvariants, BA.4 and BA.5. These are by far the most contagious versions of SARS-CoV-2 to date, with BA.5 accounting for nearly 90% of cases in the United States. Updated (bivalent) COVID-19 boosters provide better protection against the BA.4 and BA.5 subvariants of COVID-19. The boosters (one from Pfizer-BioNTech for ages 12 and up; the other from Moderna for ages 18 and up) are authorized under an FDA emergency use authorization (EUA).

Updated boosters are available on a walk-in basis (no appointment needed) at the Buncombe County Health and Human Services Clinic at 40 Coxe Avenue, Monday through Friday, between 8:00 AM and 4:30 PM. You can also consult your doctor or local pharmacy.

## Get Your Flu Shot

This year could be a rough flu season. The flu virtually disappeared for two years as the COVID pandemic raged. But influenza appears poised to stage a comeback this year in the U.S., threatening to cause a long-feared "twindemic." While the flu and the coronavirus are both notoriously unpredictable, there's a good chance COVID cases will surge again this winter, and troubling signs that the flu could return too.

For the 2022-2023 flu season the CDC recommends use of any licensed, age-appropriate flu vaccine as an option for vaccination. Everyone 6 months and older should get a flu vaccine every season with rare exceptions. Vaccination is particularly important for people who are at higher risk of serious complications from influ-

The Buncombe County Immunizations Clinic is located at 40 Coxe Avenue in downtown Asheville. They offer two options for getting your Flu immunization at their facility. First, you can call (828) 250-5096 and make an appointment that fits your schedule. They also offer a wide range of walk-in hours for your convenience. Walk-in hours are Monday, Wednesday, and Friday between 8-11:30 AM and on Tuesday and Thursday between 1-4:30 PM. You can also consult your doctor or local pharmacy.

the future of Pack

Square Plaza.

#### The visioning process began in September 2022 and will continue through Spring of 2023

#### Get Engaged!

- Plan to attend one (or several!) of many focused, public engagement sessions Dec. 1-3, 2022
- Answer a guick survey and find engagement details at publicinput.com/packsquare
- Experience temporary public artwork and performances through Art in the Heart, learn more and share feedback at ashevillenc.gov/artintheheart

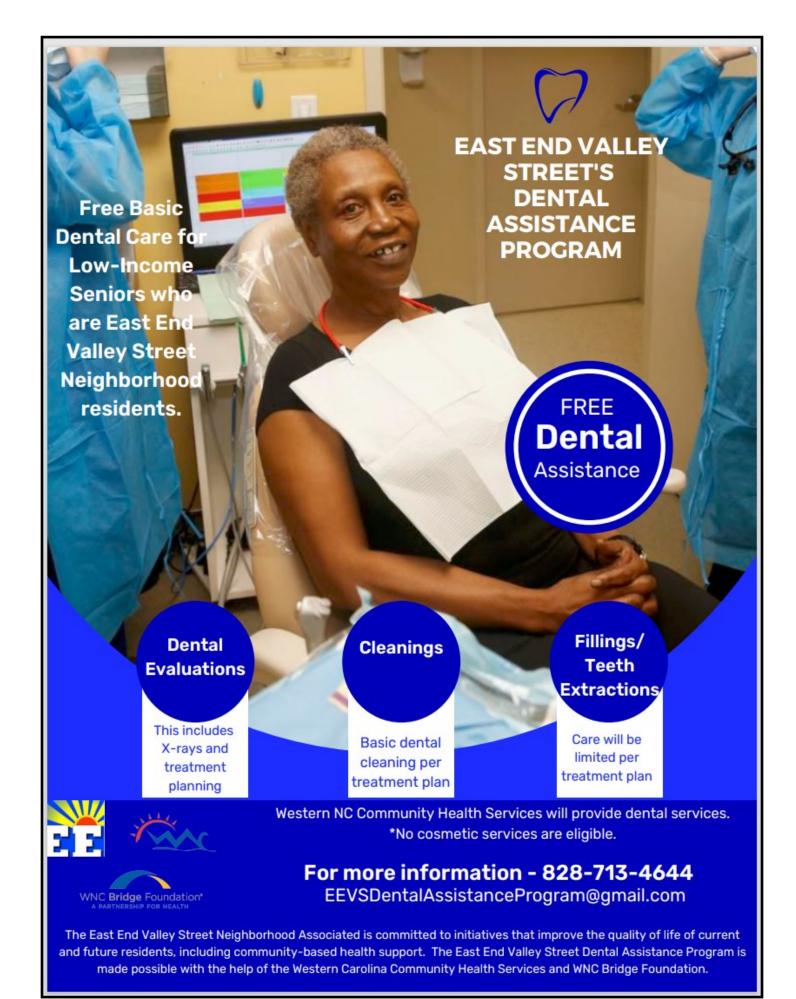

Pack Square Plaza includes the location of the former Vance Monument which symbolized a painful era in American history. The removal of the monument is a step toward this space becoming a place for healing, celebration, reflection and joy. City and County leaders are embracing the community's aspiration to heal and laying the foundation for a new equitable and inclusive public space. The project will create a new Vision for this central gathering place as well as improved connections to nearby areas including The Block.

More information: www.ashevillenc.gov/packsquare Contact: Stephanie Monson Dahl City of Asheville, smonson@ashevillenc.gov

The unthankful heart... discovers no mercies; but let the thankful heart sweep through the day and, as the magnet finds the iron, so it will find, in every hour, some heavenly blessings! Henry Ward Beecher

# EAST END VALLEY STREET DENTAL ASSISTANCE PROGRAM

Application & Proof of Eligibility Requirements

All East End Valley Street Neighborhood residents who want to participate in the Dental Assistance Program must meet the eligibility requirements outlined below.

Name:
Address:
Home Phone:
